Let's get crafty!

(We will not be baking tonight but making the starter.)

“Domestic Arts” Workshop: Bake your Bread Supplies:

- 1 plastic, gallon container with lid
- metal fork, wooden spoon, or rubber spatula
- recipe card & pen

You will need to invest in a cast iron pot/Dutch oven (2 quarts) with lid. I use an heirloom pot from my great grandmother, but Lodge makes an affordable product too that is widely available in stores or at <https://shop.lodgemfg.com/prodcat/dutch-ovens.asp>
